Dear Sir:

Applicant's undersigned attorney thanks the Examiner for the telephone interview on 11 February 2004, and the following interview on 17 February 2004. The discussion focused on U.S. Patent Application Publication 2003/0044377A1 to Worley et al. The undersigned argued that Worley et al. does not enable the production of substantially mono-chlorinated polystyrene hydantoin as required by M.P.E.P. 2101.02. While Worley et al discloses a broad formula that may include the claimed compound as one possibility among many, Worley et al. does not place the claimed invention in the possession

I hereby certify that this correspondence (along with any paper referred to as being attached or enclosed) is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on
